Rules

Please see below for the basic rules that will be utilised for Carlisle Glass Longhorn Girls Futsal League.

The League is friendly and those involved are asked to be aware of the need for flexibility and common sense

The Pitch – Futsal is played on a marked pitch and the ball can go out of play. The perimeter of the pitch will be chosen by the teams setting out the pitch. This usually follows a 'basketball court' to allow room for spectators. Dimensions of the 'ideal' pitch are over the page. The dimensions of each pitch will depend on the space available in each sports hall.

The Ball – U10 & U12s - Size 3 Futsal Balls U14 - Size 4 Futsal balls must be used (all teams should have access to these)

Head Height – There are no restrictions (apart from the ceiling of the sports hall) as to how high the ball can be kicked. If the ball hits the ceiling, a kick in, in line with where the ball hit the ceiling is awarded to the opposition.

Rotating Substitutions – up to 12 players can be used in one match and there is no limit on how long a player must stay on or off the pitch. 50% rule still applies. Players must enter via the 'substitution zone' that is marked on the pitch in front of the team benches. Player and substitute to pass through the substitution zone simultaneously

Kick-ins – In order to restart the game after a ball has gone out of play the ball is kicked back into play from the touchline and from corners. The ball must be placed stationary on or behind the touchline and the standing foot of the player must not be on or over the line. A goal **cannot** be scored direct from a kick in or centre kick.

The 4 second rule - For kick-ins, free kicks, goal clearances and corner kicks the player in possession of the ball has 4 seconds to restart play which the referee will count with their fingers in the air. If play isn't restarted within four seconds an indirect free kick is awarded to the opposing team. The goalkeeper isn't allowed to control the ball for more than 4 seconds in their own half.

THIS RULE SHOULD BE FOLLOWED TO ALLOW PLAYERS TO UNDERSTAND.
HOWEVER DISCRETION IS NEEDED HERE.

The 5m rule – Players are required to keep 5m from the player in possession of the ball on free kicks, corners, goal clearances, kick-ins and penalties.

Goalkeepers – Goalkeepers are allowed to come out of and players are allowed to go into the penalty area. All goal clearances and distributions must be rolled out.

For U10 & U12 The opposition must retreat to the halfway line on goal clearances

For U12 and U14 only: The goalkeeper cannot touch the ball again in their own half until a member of the opposition has touched the ball.

U12 & U14 only All goalkeeper's distributions must touch a player before going over the halfway line. Free kick awarded from the halfway line if not adhered to

Accumulated fouls – Each team will be allowed to give away 5 direct free kicks in each half, then on the sixth foul a direct kick is awarded to the opposing team and the defending team is not allowed to position any players (other than the goalkeeper) between the ball and the goal. The kick may be taken from the 10m mark or, if the foul was committed closer to the goal than the 10m mark, then the kick may be taken from the position where the foul took place

Match Duration – Each fixture has been allocated 1 hour in the sports hall.

‘Match’ time must be included along with warm up and warm down.

Under 10’s: 3 x 15 minutes

Under 12’s and U14’s 2 x 25mins

The clock does not stop counting down for any stoppages . Matches must end 5 minutes before the end of their slot, to allow time to vacate the hall and allow the next fixture to start on time. Please report to the Fixtures Secretary any team not vacating the hall at the correct time.

Sliding Tackles – Sliding tackles are **not** permitted in the Carlisle Glass Longhorn Girls Futsal.

Red Cards – If a player is sent off then the team to which the player belongs must remain with 4 players until either two minutes have passed, or the opposition have scored a goal

POWER PLAY LAW (Balancing Teams - Goal Deficit Rule)

During a match when the goal difference reaches 4, the losing team may field an additional player. If the goal difference reaches 6, the losing team may field another additional player (taking the total up to 2 additional players).

At the point the goal difference falls to 5 the losing team must withdraw one of their additional players. At the point the goal difference falls to 3 the losing team must withdraw their final additional player (this does not need to be the same player that was put on as an additional player)
